Be Seen in the New *Visitor's Guide*

The WLRCC is working on the next *Visitor's Guide*, which will showcase Winthrop Lakes Region businesses and attractions. We will print the guides and distribute them throughout the state to Maine Visitor Information Centers. The guides will also be available at local and regional businesses.

Placing your ad in the *Guide* is a great way to promote your business to thousands of tourists, residents, and people interested in moving here.

Don't miss the opportunity to be seen in the *Guide*! We will publish it in early June. **The ad deadline is May 1st.**

The Boost Program Grant application is available on the Chamber website, winthropchamber.org. When you complete it, you'll need to provide the following information:

1. A letter of interest
2. A project statement detailing how you will use the money and any other funding you seek or that you already have.
3. The total dollar amount you need to complete the project.
